Berryessa Snow Mountain National Conservation Area Campaign

Tuleyome is working on a proposal to designate the Berryessa Snow Mountain National Conservation Area (BSM NCA). The boundaries and the exact size and area are yet to be determined. However, their vision encompasses potentially as much as 500,000 acres – a largely undeveloped and diverse mosaic of public land. Approximately 10% located in Glenn County.

For additional information on how this may affect Glenn County, please visit their website at www.tuleyome.org where you can download the following documents:

2. The Working Draft of the BSM NCA Background Report
3. Economic Report on Gateway Communities
